Schools as Learning Communities

Schools as Learning Communities is the opening to the participation of the community (both face-to-face and online) in the implementation of the successful educational actions obtaining the greatest learning improvements in all their dimensions.

February 21, 1978

By the year 2022, there are more than 4.000 schools implementing this transformation in many diverse countries.

Ramon Flecha, Jesús Gómez, Lídia Puigvert, Marta Soler and Rosa Valls
